

Summer Holiday Information 2017

Tuesday 25th July - Saturday 26th August

Our summer timetable includes a variety of fun and educational classes to help students prepare for exams and the next academic year. To avoid getting Summer Brain, you can keep your mind active with one of our courses; keeping yourself topped up ready for the next school year.

Usual lesson will run as normal, however times may be affected so please ask reception for a Summer timetable. There are extra sessions available for Prep For Secondary, Secondary Success and GCSE courses, please ask reception for times and costs.

Standard lessons, as well as additional morning sessions will be available to allow more flexibility throughout the holidays.

Classes start from as little as £8.40/hour!

Year 4 and Year 5 11+ Course

- Specially designed course to help children tackle the competitive 11+ exams
- Full syllabus covered in depth to ensure children understand all aspects of each topic
- One subject covered per day including mock test
- Feedback, evaluation and consolidation on the final day
- A range of teaching methods used including intensive revision, exam technique sessions and fun, creative sessions.

The course is available for 5 weeks and we strongly recommend that students attend the full course. However, please note you can attend the sessions you want to within the 5 weeks.

*Current Y4 & Y5 11+ classes will continue throughout summer as usual for new and existing members

* See our timetable

The Brain Gym

- Give your brain a workout! The Brain Gym helps children develop cognitive abilities in a fun, interactive setting.
- Daily drop-in sessions, children join in for a couple of hours, or the whole day.
- Activities include Maths and English Club work, solving brainteasers, quizzes, word and number games, computer based literacy, touch typing, fact-finding and tutor-led Story-time. Also includes The BYT Book Club.
- Sessions suitable for children aged between 5 and 12.

* See our timetable

Maths and English Club

- Maths and English Club will continue for existing members throughout the summer, helping children prepare for the next academic year
- For new members, our Maths and English Club offers students aged 5-12 an excellent opportunity to build confidence and skills.
- Small Group Tuition based on the UK National Curriculum supporting children in their school work.
- Exercises designed to stretch and build knowledge and skills so children gain a real sense of achievement.
- Parents report improved performance in school and boost in confidence!
- The classes include 35 minutes of Maths and 35 minutes of English (can be adjusted for your child's individual needs).

* See our timetable

Secondary Success:

- Covering Maths, English and Science.
- Following the national curriculum, as well as moving on to more complex GCSE techniques.
- Ensuring the step into Secondary level is smooth and easy.

* See our timetable

GCSE and Exam Practice:

- Covering Maths, English and Science (Physics, Biology and Chemistry).
- Material covers all exam boards.
- Building skills and confidence through revisiting difficult topics and identifying solutions.
- Exam practice will cover: exam techniques, practice questions, expectations, structure etc.
